

Help us raise money and join our gift card fundraiser!

How it Works:

Fundscrip is a fundraising program that asks you to pay for your everyday purchases with gift cards bought through Fundscrip at the same face value.

Purchase gift cards from over 170 different retailers from FunScrip and support our school. This means that just paying for your groceries and gas with gift cards you can easily generate money for our school. AND...

- It doesn't cost you anything extra
- You don't have to change where you shop or what you buy
- Your everyday purchases add up to make a difference quickly
- You can do all Christmas and Birthday shopping in one easy order.

A percentage of the cards purchased are donated back to our school so that we can continue to support school enrichments such as field trips, classroom extras, teacher appreciation and much more! Gift cards can be used for everyday shopping such as groceries and gas, or gift them to friends or family.

How to Participate:

Support all year round! This is a great way for your friends and families who live in another City or Province to participate and support our school! Gift cards mailed to you directly!
You can order your gift cards online any time and have them shipped to your home address for \$0.89 (plus taxes)

- There is a 4 gift card limit in each order and a \$500 maximum value of the card

Visit the Fundscrip website at www.fundscrip.com and click on the "Support Your Group" button located on the top right hand corner and fill in the required information.
