

On behalf of École Mountview School Council and Parents for Mountview, we would like to **welcome** all new and returning families (online or in person) to the new school year! You are a part of our diverse, vibrant and dynamic school community!

Throughout the school year students will be coming home with various fundraiser information for the school. **Please know that fundraisers are NOT mandatory and you are not required to participate.** We understand not every family is going to be able to participate in the fundraisers.

Parents for Mountview would like to share some information about **why we fundraise**. Our goal is to support the school and assist students and teachers in the areas they require, examples include: new physical education equipment, bussing for swimming lessons, grade 5 farewell, the breakfast program, school benevolence fund, online technology subscriptions, school courtyard improvements, additional resources and more! **We fundraise to make our school the best it can be for all of our children!**

Throughout the year, we try to provide a variety of fundraisers giving you the opportunity to pick and choose what works best for your budget and family. We thank every family at the school for all the things they do to support us from giving their time, suggestions, participation, donations to our various raffles or just being there to raise wonderful children.

If you have any questions or want to volunteer, please email [parentsformountview@gmail.com](mailto:parentsformountview@gmail.com). We are committed to making our school an amazing place to be.

**Thank you for the ongoing support! You are all important to our school community!!**
